RYDA
Rubaga Youth Development Association
Uganda

- will receive every dollar given -

become a
STRIDER for RYDA
by sponsoring
Rev. Arnie Wierenga
in the 42.2 kilometre
Melbourne Marathon

Arnie successfully ran half-marathons in 2011 and 2013. At the age of 49, he has decided to tackle his *first full marathon* to change the lives of orphaned and vulnerable children in Uganda.

Arnie has doubled the distance. Can we double the donations?

I see running for RYDA as a way to live out my faith.

A marathon will be personally challenging, but it is minor in comparison to the challenges these young people have to go through.

Please collect lots of sponsors!

Together we will make a difference.
